Dirty minded? Good, then you sound just like our type! Why not drop us an email and tell us what's been ringing your bell this month – or otherwise – you can just send us a little message telling us how much you love the magazine!?

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Dear Mayfair,

My husband is the kinkiest person I know and I was wondering if there are any other readers who have the same perversion. He just loves to come in my knickers!

This is what happens: we'll be fucking away like the proverbial rabbits and he'll suddenly whisper in my ear, "Let me come in your panties". I say yes most times because he really loves it and I love seeing him so turned-on – his come face is brilliant! Anyway, once he's shot his load inside them he makes me put them on so that his jism is smeared all over my arse and pussy.

Sometimes, if he's feeling extra-specially horny, he likes to watch me eat his come from my own knickers. I know it's a bit weird but I do it because it gets him so horny he can't stop himself getting another erection and then he buries his face between my legs until I've come and then he fucks me good and hard and we both come together.

So is my husband the only one with this kink or are there other men out there who get off on this? He likes to think he's unique but, if you ask me, there isn't a man alive who isn't a pervert, one way or the other, and I'm betting him a night out that he isn't the only guy in the world who likes to come in his woman's pants and watch her lick it all up after.

Dear Mayfair,

I've got a confession to make: I really love women in big pants. I don't mean I like big women who have to wear big pants, I mean I just get turned on by big girl's pants!

The thing I like to do most is to get into a 69 with a girl who's got massive pants on and go down on her with my head right inside her knickers.

Okay, so that doesn't happen often but when it does, man I am in total heaven!

The last time I got lucky like that was with my ex, Siobhan.

She was a horny babe and up for anything that involved getting her cunt eaten, so when I first told her all about my kink she went straight out and bought the biggest knickers she could find, then bunked off work early to wait for me back at my place.

When I got home, I shut the door and heard her call from the bedroom. So I dropped my bag and ran up the stairs as quickly as I could – what man doesn't come running when his new girl-friend calls to him from his bedroom?

When I walked into the room, my dick nearly garrotted itself on my zipper!

There she was, laying on my bed, starkers except for the biggest pair of white panties I had ever seen, one hand stuffed down the front of them and the other one twirling her auburn hair. I could see a small patch of damp on her gusset where she must have been rubbing herself up through the material, and my brain said, "Get in there and eat that nice, wet pussy!" seemingly so loud I thought I'd actually said it!

I did as my brain ordered, diving onto the bed and kissing my way up her thighs until my mouth had reached the material of her huge knickers and my dick was trying to rip its way out of my jeans.

"Has this got you all hot and bothered?" asked Siobhan.

I took my hard cock out in answer. "So, do you want to put your head inside my knickers and eat my nice wet pussy?" she went on, and I straddled her face and slipped my head inside. It was awesome – I was totally surrounded by panty on all sides except in front of me, where all I could do was bury my face in her juicy snatch. The smell of cunt was overwhelming and then I felt Siobhan's mouth wrap itself around my rock solid cock as she started to suck hungrily on my hot meat.

I'm not ashamed to say that within a matter of minutes I had flooded her mouth with my hot seed and smeared her pussy juice all over my face.

Dear Mayfair,

Dear Daisy, I think I love you. Actually, I think I love your pussy. Sorry to be so personal about it, but you have a vagina made in heaven. If I had to chose between eating your cunt out every day or eating food so that I might live beyond a month, I would chose eating your cunt with no hesitation. I mean, just look at it (I reckon you've probably looked at it almost as much as most of your readers!), it's the sort of pussy the entire Spartan army would happily die for!

I would really love to fall between your knees and stick my tongue right up your man-magnet twat – if I had the choice, I would definitely spend the rest of my life eating you out, happy in the knowledge that I had a mouthful of your pussy and that was the way it was gonna stay for the next 40 years!

So, thanks for every issue of Mayfair and every new picture of your amazing cunt and body!

Ian, Redcar.

Dear Mayfair,

I'm a big lover of soapy tit wanks and an even bigger lover of pictures of huge boobs covered in suds. I remember a few issues back there were some excellent pictures of Beth Bennett from Escecort 42/07 with her amazing knockers all foamy – I remember it because I sprained my wrist that month 'reading' it!

Can we please see more soapy tits in your magazine, or failing that, can we please see even more beautiful girls with even more huge tits!

Robert, Scarborough.

Dear Mayfair,

Daisy, It's been a long time since I've written to the magazine but I think it's time I reminded you of just how horny I think you are!

There are many things about you that I love, but your massive boobs and beautiful face are your most captivating assets! I would love to cup your face in my hands and kiss your mouth and eyes.

Then I would slide your dress straps off your shoulders and bury my face in your inviting, warm cleavage.

Afterwards, we would take off to the bedroom where you would undress me and suck on my rod until it was ready to do your bidding, when I would kneel before you and lick and kiss your sexy pussy until you were wet and gaping open. I would kneel between your thighs and suck on your pussy forever if it meant you towered over me with those beautiful breasts.

How would you want me to fuck you? I bet, like me, you wouldn't be happy with just one position, you'd want to do loads until you found just the right one that hits the spot.

And after we had found the route to your own personal nirvana, I would ask you to straddle me and ride me hard so that your incredible rack would bounce seductively before my eyes and cause me to ejaculate deep into your pussy. Or do you prefer it in the face?

Dear Mayfair,

I saw the set of Delia Rose in last month's issue and she reminded me of a girl I once knobbed back when I was still in college: Stacy.

She had managed to get herself a reputation in the first week of us all moving into the halls of residence by sucking off one particularly loose-lipped bloke on the roof the day she moved in, and consequently all us lads thought we'd try it on with her whenever the chance arrived.

My own opportunity arose quite unexpectedly. One evening, I was hanging out with a couple of girls who also roomed on my floor when Stacy walked in – seemed she was a mate of these two.

> "The smell of cunt was overwhelming and then I felt Siobhan's mouth wrap itself around my rock solid cock as she started to suck hungrily on my hot meat."

Anyway, five minutes later, after we'd been introduced, the two girls whose room we were in said they were off out clubbing for the night so me and Stacy had two options, go out with them or bugger off.

I had no money and was just thinking how unlucky I was that I didn't have the cash to go out and cop off with Stacy when she also announced she was skint and perhaps we should relocate to my room!

Well, you can see how this turned out, it was probably all of 60 seconds before we were both stark naked and pawing each other's bodies, clumsily. And this is how Beth reminded me of Stacy. You see, Stacy didn't look anything like her really, except that she had long brown hair. What jogged my memory was that shot of Beth on the contents page where she's holding her bum wide open. I thought I'd never forget the sight of Stacy, on her hands and knees on my tiny bed, pulling her arse cheeks wide apart and telling me to eat out her arsehole!

Her cunt was wet and her labia peeled apart, exposing her hole. I

Amber Paige

Is there anything more inviting than what you're looking at right now? A nice moist pussy? Or maybe you would prefer Paige's tight arse hole? "A bit of spit on the end of your cock always goes down a treat when you're trying to squeeze it in there! Why not fuck me in the pussy first and then you'll be nicely lubed up and ready to enter my arse hole. You can still spit on it too!"

Continued fome page 5

knelt behind her and ran my tongue over her cunny, enjoying the taste of her pussy. Then I rubbed her juices up over her ring and watched amazed as her bumhole flinched at my rudest thing I had ever done in my life at that point. I didn't even think girls were into that kind of thing, but by the time I had two fingers up her butt and another two in her gash I had changed my beliefs on what women did and didn't do in the sack – so much for the better!

I couldn't believe I was going to fuck her up the arse (it seemed pretty obvious that once I had a couple of fingers up there my dick was sure to follow) and I was a little worried I'd end up blasting my salty spume right up her before I'd had a good pump, but amazingly I lasted right up to the touch.

Eating out her arse was the end – which wasn't very long at all!

Without her say so, I pulled my fingers from her greasy holes and positioned my helmet right up against her ring, rubbing my cock up against her with my hand, pointing it down so I could get her cunt juice on its tip and then rubbing it round and round her anus.

Eventually, after me teasing her like this for a while, she pushed back against me and my dick eased into her bum.

I grabbed hold of her hips as she reached down to frig her clit and we thrashed against each other with abandon until, moments after I had entered her, Stacy came, begging me to come right inside her arse.

And so I did, flooding her anus with jizz and then pulling out and watching all my come pour out of her arse and dribble down into her cunt and pubes.

I never fucked her again, never fucked her pussy, but I had one hell of a good bunk up with Stacy and I'd love to fuck her right now!

Soapy tits; what could be more enticing than a nice big pair of soapy tits

being squished together?

Dear Mayfair,

I just recently bought my girlfriend a Hello Kitty vibrator. Amanda, (6ft, brunette, nice tits, quite the serious type) would never actually be up for the idea of sex toys but I knew she would love it if only she actually tried it.

So, I bought the shoulder massager as a present and she thought it was really cute and wanted to try it out that night.

It didn't take much to persuade her that it would be better if she took all her clothes off and lay down on the bed, and soon I was sitting astraddle her thighs, buzzing the vibrator around her shoulders as she moaned appreciatively beneath me.

When I started to slide it further down her back she didn't complain, and then I let it flash across her cotton panties – the only piece of clothing she'd kept on – before stroking her thighs with it.

I noticed Amanda's legs part fractionally and I knew – bingo! – she was getting

turned-on.

The thought of me buzzing this little toy round her snatch had definitely taken a hold in Mand's mind, so I slid the vibrator up her thigh and let it softly kiss her gusset.

When she eased her legs open a little more, I pulled down her knickers and slipped them off her ankles and she rolled over and spread 'em wide. I rubbed her lips and clit softly with the toy and watched as she grew wetter and wetter until her pussy lips were wrapped round the vibrator, almost begging for me to slip it inside her hole.

Screw that, I thought, time for me to get the lizard out. I undid my trousers, pulling out my throbbing dick, and eased myself into her cunt, buzzing the vibrator round her clit.

Amanda snatched the thing off me when I started to fuck her, jamming it up against her clit, and I could see that the best thing I could do now was fuck her good and hard and let her have a nice, big, earthshattering orgasm.

Once she'd come, she rolled me onto my back and rode the shit out of me, humping my spunk clean out of my balls like our bedroom was a rodeo and I was the bull!

This weekend, we're going shopping for some more toys. She's got the taste for it now

wants to get something a little more grown-up, so thanks a lot for turning my Amanda into a horny little devil. I owe you one!

Dear Mayfair,

Who is this girl called Emily Blake? She's like something from Baywatch! I haven't stopped bashing myself off since I bought the magazine. I can only imagine what it would be like to have my cock surrounded by both of her lips (mouth and pussy), and her arse hole if she's up for that kind of thing too! When is she going to be back in the magazine, because I can't wait, and also I hope that you'll be putting a video of her up on your website soon too!

Andy, Fareham.

Sophie

When we booked Sophie Anderson in for her recent shoot we thought it was the same Sophie Anderson that appeared in Club a year or so back, but we were surprised to see a completely different Sophie upon on her arrival, a very pleasant surprise we might add. How can there be two totally hot Sophie's with the same name out there, willing to take their knickers off for our readers! "I've seen her before in your magazines, she's a blonde to start with and she got loads of tattoos, so no similarities. She's well hot though. Maybe next time when you're making your photo shoot bookings we could both be invited for a girl-on-girl shoot?"

When bunette beauty Lucy was struggling to scrape together living as a bit part actress on the notoriously difficult movie circuit, little did she realise that she would ultimately become a star, albeit in some rather more revealing roles. “I auditened for some many but but when I was overlooked for the role of ‘Woman Having A Seizure’ in a film about Gurillas, I decided to get into the adult instead.” Wise move.

Jamie

We've had rather a hard spot for Jamie Jenkins ever since we first lured her between our sheets at Paul Raymond. But when she's not driving the nation's men wild with flashes of her super fit bod, how does the girl herself like to unwind? "Well, I realise it's probably not conforming to most people's ideas about models, but I love to read. Ever since I was a kid I've liked nothing more than having my nose buried in a book – and I don't just mean Danielle Steel, either!" Oh, so you're a bit of a connoisseur of literature, eh? Well us too – we've read loads of books! Mind you, right now we can think of something we'd really love to have our noses buried in that's highly unlikely to win the Booker Prize...

Sophie B

Call us old fashioned, but we just love our British models? Don't get us wrong, we do love our foreign models, but here at Paul Raymond Towers we like to try and get the home girls naked on our pages, and in keeping with that, here is the delightful Sophie B, who's trekked all the way from the West Midlands to shoot for us! "I'm actually a bit nervous, even though I've done this before" she confessed when she got here. "Do you think I'm still up to scratch for Mayfair, it's been a while since I've appeared?" Hmm, we don't like to nail our colours to the mast too quickly on that sort of thing – perhaps it'd be best if you came back again soon so we can judge that properly…

Daisy May

We'd like to bring back Daisy May to Mayfair magazine, and we know that she's going to be a real hit with the readers, just like last time. Why have we asked her back? Well, she's got a lovely smile, piercing eyes, a fantastic arse, and quite a set of tits on her too. We think that ticks all the boxes for a Mayfair model. But why does she keep coming back to us, and you? "I've been wanting to do it for years and when the opportunity came along for the first time I jumped at it with both legs open, and now I'm hooked!" Yes, we can see that! "My boyfriend loves seeing me in the magazines and I get a good hard fucking off the back of it, so no complaints here!"

Janet McPherson

It gets pretty cold in Fort William at this time of the year, as 21-year-old Janet McPherson can testify. No wonder she jumped at the chance to go to Tunisia for a sun-soaked shoot. 'Normally right now I'd be curling up in my wee house with a bottle of ginger wine for company,' smiled Janet. 'But this year is a bit different.' Very different indeed from the cramped office with one small gas fire where Janet works as a secretary to a man she describes as dishy but canny. Janet owes her lucky break from the chill of the Highlands to a friend suggesting she send a photo of her 35-24-34 figure to a local photographer. 'I thought modelling was just for you English, she said. 'But now I know how good it can be. I may well do some more. But what does her boyfriend think? Her reply is instant! 'What boyfriend? So far I just haven't met the right man.' Janet sighed. 'Not for the want of trying.' In this case the right man should be tall, well-built with a wry sense of humour. But Janet reckons 1987 could be the year. 'For a start, I'll be the only tanned girl in Fort William this winter.' She says laughing.

Candy Sexton

"You're all invited to my swimming pool party!" grins busty Candy Sexton. "Girls and boys are invited but you have to get naked with me. I'll even let you have a feel under the water too if you're nice to me. I'm a bit of an expert at wanking guys off with my feet. I do have one rule though - don't jizz in the water, you can do that over my boobs or in my mouth, you can choose, I like it both ways!"

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Call me a groupie, call me a starfucker – I wear those names with pride. I get such a thrill from fucking rock stars, there's no buzz like it. Recently I got backstage at a big show – I'm not saying who, but they were famous enough that I wasn't getting that backstage pass until I'd got through a little audition with a roadie. He was kind of sexy – I'd have settled for a night with him. But the epic BJ I gave him earned me access to the headliners.

I was still wiping the stray spunk off of my lips as he led me into the dressing room. I'd gone there intent on fucking the singer or guitarist, but when I saw the drummer's cock – he was wanking it as he watched two slutty blondes eat each other out – I started to drool.

He called me over and I got in between his legs, licking him all over his shaved balls, then taking his cock in my mouth. I thought maybe the blondes might get possessive, but I soon found out, via a friendly mouth on my cunt, that an extra pussy was more than welcome! Just as I'd gotten into slurping and throating his cock, the drummer – I'll call him Jimmy – got the three of us to lay back, flaunting our tits and pussies, and started to wank furiously. If I wanted his jizz I was going to have to share it with the others. I saw his prick twitch in his hand and a big load of jizz arc out to splash all over us, most of it over one of the blondes, Sharon. Her pal, Emily, immediately started lapping it up, so I made sure I got a serving too. It tasted strong and creamy, and the girls and I traded gobs of it off of our tongues and tits.

As soon as Jimmy wanted more action, Emily wrapped her mouth around his dick. But he seemed to have unfinished business with me. Sharon had pulled me on top of her, in a sixty-nine, and was splaying my arse and pussy so wide, working spit and pussy juice up the length of my crack.

So, while Emily was blowing him, Jimmy was staring at my tight, pink bumhole, shining wet and begging to be fucked.

He got Sharon to suck him and keep him rock hard, as Emily creamed herself up with her fingers, then slathered even more wetness on my arsehole. Then Jimmy said he wanted to watch them scissor. I almost felt left out, watching as they laced legs, then mashed their hot, dripping snatches together. I wanted to feel a pair of naked, swollen cunt lips rub against mine, the juices flooding my crotch. I only said almost, though – the big, meaty cock probing my wet crack felt even better. Jimmy touched it up against my arsehole and I moaned in anticipation.

> "Once Eric recovered, he got back in behind me, his big, rough hands playing with my boobs. I rocked and circled my crotch over Mick's cock, gripping tight like I was wanking him with my cunt."

As he pressed harder, I tightened up, then relaxed totally, so it went in smooth and deep. As his shaved crotch touched against my ring, I felt a little preorgasmic shiver go through me.

The other two girls were fucking each other really hard now, slamming cunts, their tits slapping and jigging around. I was thinking did they squirt, would they cum inside of each other while his cock was plowing me, laying down the beat?

I reached in between my thighs, started frigging my clit and came almost instantaneously. From the arse-fucking I was getting, the girlie show, the smell of sex in that small room – whatever, my bum and cunt felt ripe and hot, tingling and throbbing, and then I felt this even bigger wave

of pleasure crash right through me.

I had the best night ever – even with just the one cock to play with between three girls, I got enough spunk-seasoned pussy to keep me satisfied. Jimmy said if we want to join the tour on any other date, he'd hook us up – I won't rely on that, but at least I've got two new girlfriends, if the next band that comes to town wants a triple-team!

When my sex life with Steve got stale, a friend of mine suggested a little reverse psychology. A six-week ban on sex, including masturbation. It was make or break, and Steve broke first. It wasn't unprovoked – I was naked in the kitchen, freshly showered after the gym, when he walked in and just pounced on me.

"There's another two weeks to go," I told him.

"I just can't do it..." he said, to my delight. We sunk down on the floor, me straddling Steve in reverse cowgirl – his favourite porn position! As his prick penetrated my cunt, it felt like we were fucking for the first time. He raked his stubble over the back of my neck, and groped my tits. He squeezed them hard, pinching the nipples, but that just got me even wetter, my twat snapping around his thrusting prick.

I could feel he wouldn't last long and so I took his hand and placed it on my clit, then gave his balls the gentlest tickle. That was enough to send a big jolt through him, and he groaned out loud as I orgasmed around his dick. Then I felt a hot rush of cum inside of me.

We just stayed as we were for a while, getting our breath back, then I lifted myself up off of his tool and crouched over him, jizz and juices dripping all over his belly and chest as I backed my arse up toward his face.

His cock was glazed with my wetness, still deep red and semi-hard, but I resisted the urge to suck on it again – too soon. That didn't stop him giving my pussy attention, though. I pressed it to his mouth, and he started to lick me, swallowing everything that ran out of it. A warm glow spread through me.

Then his fingers slid inside as he started to suck my clit. I humped and writhed against him, another climax sparking as the previous one died away, until I was all cummed out.

I just stretched out over him, pussy throbbing, and soon his dick

was hard and twitching again. I lapped at it, feeling it strain against my tongue, then sucked it in. As I played with his balls I felt it jerk inside of my mouth, already salty with pre-cum and my own juices. This time I knew he'd last a whole lot longer but I took it slow, hands caressing his nuts and the last couple inches of shaft I couldn't take without deepthroating him.

Now he was sucking on my pussy again, slow and gentle, trying to keep me on the boil without me cumming just yet. But I was way too sensitive. I licked all over his prick and crawled along his body, wedging it in between my tits. They're not the biggest, but they are natural and firm, and he moaned as I squished them around his shaft. He couldn't just lie there and take it, though. He wet a couple fingers in my snatch, then walked them up my crack and slid them in my arse.

The more he pumped them in and out, the harder I wanked him with my tits, pausing only to smear my nipples with the ooze from his tip. I got so caught up in it, all I could feel was his thick column fucking my boobs. His helmet would slide out the top of them, then back in my cleavage, his nuts so full and swollen. I came a couple more times from what he was doing to my arse, but I was so focused on his cock I didn't miss a beat as I stroked and massaged him to another pulsing climax.

He'd cum a big load in my twat, but he had plenty more to share now. It just kept spurting out, till my entire chest was drenched. I rolled off of him and lay playing with it, until he found the strength to pick me up and carry me into the bedroom. Now we've vowed we'll never let our sex-life slide – we make fuck dates and try new stuff to keep things fresh, banging all over the house. But sometimes we'll hold off for a couple of weeks, so we can enjoy that 'first-time' thrill again!

Town is my usual territory – I'm a city girl at heart – but when a girlfriend invited me to go camping, I said yes. She knows I like big, rugged guys and wanted to introduce me to her brother's mate, Mick. I liked him, but I liked her brother, Eric, too! One morning, I fucked off the day's hiking to stay in camp – and I knew the boys were in their tent, playing truant too.

We all knew what we wanted so I just undressed and got under the canvas, totally naked.

I got an instant horny hit – these blokes were ready and waiting! I crawled up over Mick, feeding my tits into his mouth. My arse was tilted up high, so Eric could watch my cunt pulsate and pool with juices as I got more turned on. He couldn't resist a taste, first off of his finger, then straight from my hole.

As he licked and swallowed, sucking on my folds, I curled my hand around Mick's knob, already rock hard.

Eric was wanking himself off, tongue jabbing me even harder as he stroked his cock – fine, but I wanted more. I told him okay, fuck me. I'd hardly finished saying it before he drove in. I'd been impressed at the quick glimpse I'd gotten of his hardon, and it felt even bigger surging into my twat.

Mick stayed as he was, enjoying my boobs as I stroked his cock, while Eric pumped in and out, stirring his cock inside of me as his hands kneaded my arse cheeks. Now Mick was fingering my clit too and I started to cum and didn't stop till I'd set Eric off too. I felt a hot explosion of jizz, then he just knelt there, gasping for breath, his still-hard cock plugging me.

When he pulled out, skimming his wet tip up my crack, I instantly sunk down onto Mick's stiff, ready meat. I felt cum spurt out as he plowed in, then I began riding him for the wettest, messiest fuck. I've never felt so horny or so totally dirty, taking one cock right after another.

"I reached back, grabbed his balls and rubbed them up against my arse as I clamped around the root of his dick. Then I started bouncing on him again as hard as I could."

I started to cum instantly, even before he rubbed my clit again, my cunt supersensitive.

I reached back, grabbed his balls and rubbed them up against my arse as I clamped around the root of his dick. Then I started bouncing on him again as hard as I could.

Once Eric recovered, he got back in behind me, his big, rough hands playing with my boobs. I rocked and circled my crotch over Mick's cock, gripping tight like I was wanking him with my cunt. Finally he let out a loud groan, arse raised clean up off of the ground as he emptied his balls into me.

Again, I just sat there, keeping the cock inside of me as long as I could while Eric strummed my clit to another climax. Eric was feeling playful now, and pulled me backward off of Mick's cock, then got me into some kind of weird yoga position, weight resting on the back of my shoulders, legs in the air.

> "From the arse-fucking I was getting, the girlie show, the smell of sex in that small room – whatever, my bum and cunt felt ripe and hot, tingling and throbbing."

This time he didn't suck me, just pistoned his fingers in and out of my cunt, churning it up and slathering the frothy wetness all over my arse cheeks and my tits.

I was seeing stars – so much dick and now the blood was rushing to my head as this big, horny guy fingerfucked me. My body convulsed as I started orgasming, but he kept on stroking, stimulating me till I had to tell him to stop. I just couldn't handle anymore.

I was all fucked out. I didn't even have the energy to suck his cock. But we squeezed in a little more fun before everyone else came back. Next day we were going home – frustrating, as I hadn't done half of what I wanted to do with them! I couldn't even sneak to their tent for a little fun. But half an hour after I got back to my place, guess who showed up at my door...

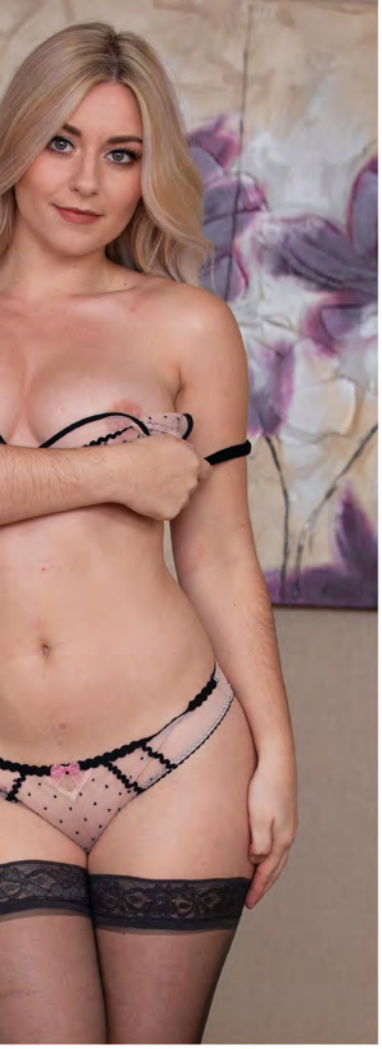
Elle Hunter



One of the best things about working at Paul Raymond Towers is that we occasionally get a visit from some of the girls in the mag. And so it was that the very lovely Elle turned up one lunchtime last week to check out her photos. So pleased was she with her shots that she even offered to take us to our local for a pint. Verily there was much rejoicing – a gorgeous girl who is happy to show us all her perfect pussy and buy us beer! An afternoon of ale and politely refused marriage proposals ensued. And Elle's still keen to come back again, there might even be time for an impromptu drink if we have anything to do with it. What a fine girl she is!,
